We have been permitted to take the following statements from a private letter from Dr. Thomp son, Surgeon of the 11th Indiana. He says the 11th Indiana did noble work. He states as far as he knows, none were killed who went from this place. Lieutenant McMullen received a slight wound on the knee, and had his progress. coat tail cut off by a grape shot. Captain Hamil was very slightly wounded. Many members of the regiment made hair breadth escapes.
